SAMPLE

What this record shows

- The steps Postedly recorded for this order, with their dates.
- The USPS tracking number and the postal scans the print provider reported, when available.
- Certified Mail tracking shows where a mailpiece was scanned.

What this record does not show

- A signature. Mail tracking is not a signature, and this record contains no signed return receipt.
- That the recipient opened or read the letter.
- This report restates what Postedly and its providers recorded. It is not legal proof, a certification or independent confirmation.
