CEDAR GROVE WALKING CLUB

October 12, 2026

Welcome to the club, Alex.

Dear Alex,

Welcome to the Cedar Grove Walking Club. We are glad you are joining us. Our walks are a chance to get outside, meet a few neighbors, and enjoy the route at a comfortable pace.

Bring comfortable shoes and a bottle of water. You do not need special equipment or previous hiking experience. We make room for conversation and take breaks along the way.

Thank you for becoming part of our little walking community. We look forward to sharing the trail with you.

Warmly,
Jordan Ellis
